At some point in the half-term prior to your child's start date The Centre will make contact with a Parent or Primary Carer in order to make the arrangements for the child to start at the nursery. This will include obtaining further information to ensure all paperwork is up-to-date, making arrangements for funding to be in place (if applicable), and arranging a taster session.

Where possible, we will do this by email and may ask for parents/carers to complete online forms. There will, however be some paper forms which need to be completed.

PAYING FOR NURSERY HOURS / SESSIONS.

OPTIONS:

The nursery fees for the hours which your child attends can be paid for in a couple of ways:

- Early Years Funding (EYF) which the Centre claims from the County Council on your behalf, or
- Parents/Carers pay for the nursery hours which are not funded by other means.

Early Years funding available to parents/carers is as follows:

- **Universal entitlement for all children aged 3+.** Provides up to 570 hours of funding over the year, or a maximum of 15 hours per week over 38 weeks.
- **Funded Two's entitlement for some children aged 2-years-old** whose families are in receipt of certain welfare benefits or where the child meets specific criteria. Provides up to 570 hours over the year, or a maximum of 15 hours per week over 38 weeks. Eligibility is assessed by the Local County Council.
- **Working Parent entitlement for some children aged from 9-months to 3+** whose families meet certain criteria. Eligibility is assessed by HM Government and parents need to apply through <https://www.childcarechoices.gov.uk/>.
 - For children over 9-months and under 3-years-old, provides up to 1,040 hours of funding over the year, or a maximum of 30 hours per week over 38 weeks.
 - For children over the age of 3-years-old, provides up to an additional 570 hours of funding over the year, or a maximum of 15 additional hours per week over 38 weeks. When combined with the 3+ Universal entitlement this equates to a maximum of 1,040 hours of funding over a year, or a maximum of 30 hours per week over 38 weeks.

If a child is a Funded Two, or is eligible to the Working Parent funding, parents/carers will receive a code which must be provided to the Centre for verification prior to any funded hours being agreed.

We will ask you to update this information again prior to your child starting nursery.

Have you applied for, and received a code for

either the Funded Two eligibility or Working Parent eligibility? Yes No

If 'yes' please provide the codes and other information if required.
